SALEM WATER LIGHT and POWER COMP'NY

Clark & Henery Construction Co.

W. R. Clark, President
PAVING CONTRACTORS

Laying Standard Asphalt, Sheet Asphalt
and General Bitulithic

The pavement that is dustless, noiseless and easy on the horses. This company has recently secured the contracts for the paving of South Twelfth street, Division street and the alley in block 29, in the city of Salem. This company is doing business in California and Oregon. They are at present operating in Oregon at Medford, Roseburg, Eugene, Silverton and Salem. The Medford contract amounted to approximately \$10,000,000.

A. W. Clark has charge of construction work in Oregon. The best reference this company can give for their work is the property owners in the different cities in which they have done street paving.

THE ARRIVAL OF SPRING

Brings hope of better things, and the best thing
for the whole family is

AN ELECTRICAL HOME

An ELECTRIC TOASTER makes a
crisper toast, and serves it hot

An ELECTRIC PERCOLATOR as-
sures you the same clear coffee
every meal, and serves it hot

An ELECTRIC CHAFING DISH cooks
the fancy dishes and serves them hot

An ELECTRIC FAN will keep you
cool in the hottest weather

An ELECTRIC IRON---well, an elec-
tric iron is the panacea for laundry
ills. Ask your neighbor
